# KNOX FARM PLANTING PROJECT

Improving the park one tree at a time

## HONOR A LOVED ONE- OR COMMEMORATE A SPECIAL EVENT.

### Plant a tree at the park:

Purchasing a tree as a gift to the park is the perfect way to remember special people and special occasions. Best of all, it supports the beauty and sustainability of the park. Your gift will be a lasting improvement to our landscape.

## WHY ARE WE LOSING TREES?

Many factors contribute to the need for trees at the park:

- Stress from insect infestations.
- Extreme weather conditions including drought, heavy rainfall and blizzards.
- Heavy recreational usage in certain areas.
- Natural attrition due to age and location.

## WHAT DOES MY TREE PURCHASE INCLUDE?

All donations are tax deductible and include:

- Cost of tree plus delivery, planting and maintenance.
- Tree wrap, stakes, irrigation bag, mulch.
- GPS coordinate of your tree once planted
- Engraved leaf plate to be placed on a memorial plaque inside Visitor's Center.

## DO I HAVE CHOICES?

Species and location decisions are ultimately a park decision:

Donors may choose between evergreen trees and deciduous trees. All trees planted at Knox will be mature, native species and will be planted within a pre-determined landscape plan. Plantings will occur twice a year; in the spring and fall. Species decisions may be determined due to seasonal availability.
